Spaces

Upstairs

Max Capacity: Dining – 110 guests; Cocktail Party – 300 guests

Upstairs features a versatile private space which caters for groups as small as an eight person board meeting all the way up to a 280 person engagement party. We can set up for a three-course dining event or for a corporate business presentation. If you have a small cocktail party the space can be broken up into sections, and for bigger groups it works perfectly as one large space.

The Bistro

Max Capacity: **Dining** – 54 guests; **Cocktail Party** – 80 guests

The Bistro is a casual alternative to the upstairs dining room, featuring easy access to the Terrace area and is bright and sunny during the day. As with the Nook, both the Bistro and Terrace are wheelchair accessible. We do not exclusively reserve space on the Terrace as guests can find tables on a first in, first served basis.

The Nook

Max Capacity: **Dining** – 34 guests; **Cocktail Party** – 45 guests

The Nook is the perfect space for smaller groups, of up to 45 guests. The Nook can be booked privately, however it still retains the atmosphere of being in amongst the action on the ground level. It's close to the Terrace so guests can enjoy the beautiful Melbourne weather and is also wheelchair accessible. The Nook features a TV which can be used for presentations or for watching sporting events, it can also cater for smaller dining groups of up to 34 people.
